

**Subject : Statement of readiness - International Fund for Agriculture Development (IFAD) role as Supervising Entity for the GAFSP Proposal from the PO CNCR in Senegal : “Support for the improvement of rural family poultry farming in the departments of Mbour, Fatick and Kaolack”.**

This letter serves to confirm that the attached proposal has been developed by CNCR, the National Farmer Organization of Senegal, with technical support from the International Fund for Agriculture Development (IFAD) and that the document went through several rounds of discussion between CNCR and IFAD staff, as well as with all relevant public and private partners involved in the proposal.

IFAD accepts the nomination by the CNCR and confirms its readiness and willingness to serve as Supervising Entity for the proposed project.

IFAD would also like to confirm the below additional details:

Preliminary financial structure of the project:
