Excellency,

Reference is made to the letter from H.E Eng. Farid Ahmed Mogawar, Minister of Agriculture and Irrigation requesting us to review and endorse the updated National Agriculture Sector Strategy (NASS) and Yemen's 2013 Global Agriculture and Food Security Program (GAFSP) proposals.

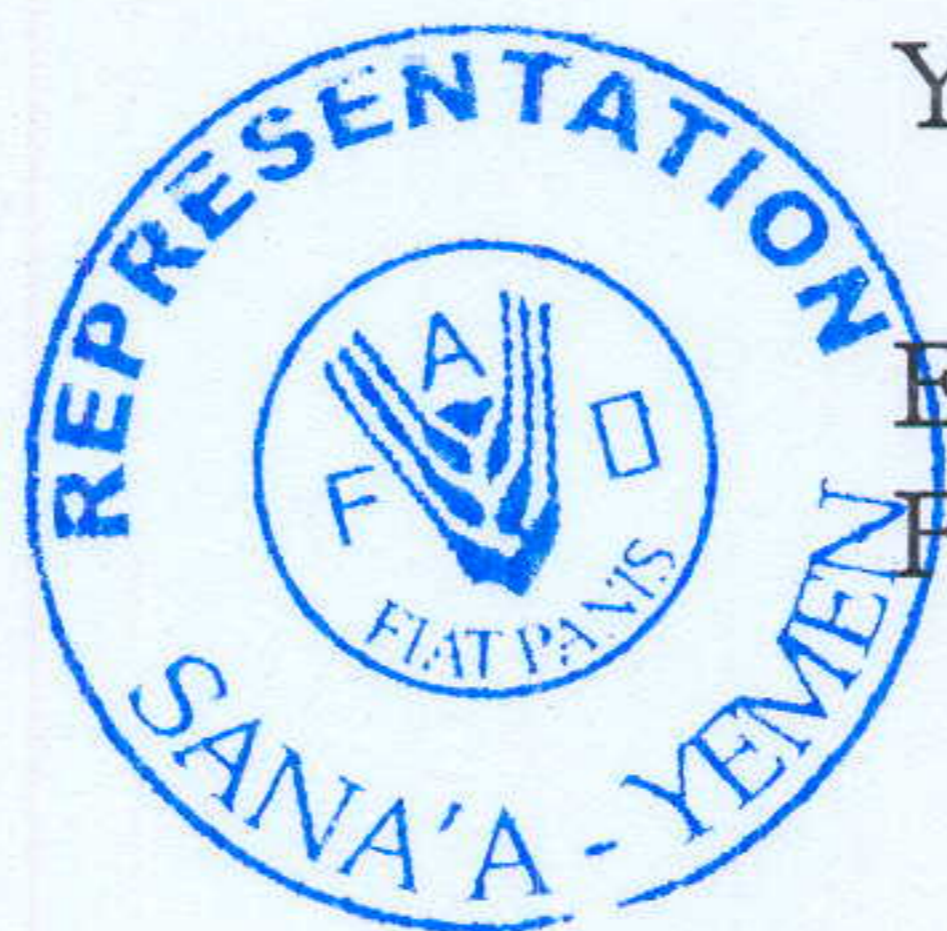

FAO has reviewed the documents and actively participated as an observer within the In-Country Sector Working Group for Agriculture and Food Security.

In this context , we have the pleasure to convey to you FAO's endorsement of the above mentioned documents and are ready to assist the Government of Yemen during the preparation and implementation of the respective projects.

Finally, we trust that the GAFSP proposal will also be endorsed by its Technical Committee.

Accept, Excellency, the assurance of my highest consideration

Yours sincerely,
