Subject: Endorsement of the GAFSP Project Proposal

Dear

Honourable Minister,

On behalf of the Agriculture Sector Working Group (ASWG), I would like to thank you for sharing with us Rwanda's Funding Proposal to the Global Agriculture and Food Security Program (GAFSP).

We acknowledge that the proposal builds upon the achievements so far of the Government of Rwanda's Strategy for the Transformation of Agriculture (PSTA III) and associated Agriculture Sector Investment Plan (ASIP II); and contributes to reaching and sustaining the expected final outcomes of the Strategy implementation.

We support this proposal and wish you the best of success with your application.

Yours sincerely,

Warmest regards for 2017
