Dear Sirs/madams

The Hub Rural a **non-partisan** institution supporting rural development stakeholders in West and Central Africa provided initial comments to the first draft report. subsequent Technical review of the revised draft will be conducted after the validation workshop that is scheduled for the 25th of September 2019. It is envisaged that NEPAD will conduct an independent review after the validation workshop. the Government of the Gambia has already responded to the comments and concerns of Hub rural.

kindly find attached the two documents (**hub rural's comments and The Gambia Government's response**) for your kind action while we await the independent Technical Review to be carried out after the validation workshop slated for September 25th, 2019.

kind Regards

Dear Mr Musa Humma,

Thank you for again for sending The Gambia's submission to GAFSP. We have reviewed the submission emails and note that we are missing: (i) an Independent Technical Review report for the current Investment Plan (GNAIP II) that was provided; (ii) an associated country response to those technical review observations.

We thank you for providing the current GNAIP (2019-2026), and also the prior technical review for the previous GNAIP (2011-2015). Do please note that, per the GAFSP Country Guidelines, a current NAIP and the technical review for that current NAIP (plus the country response) are pre-requisites for African countries to apply for GAFSP financing – per items #8 and #9 on the document checklist.

Please kindly submit these missing documents for the Gambia's submission to be considered complete, prior to close of business Monday 16th September, 2019 (11.59pm, WASHINGTON DC TIME). This is the extended deadline for missing documents and we will not be able to accept any documents sent after this deadline.

Best regards,

GAFSP Coordination Unit

Dear Mr. Musa Humma,

Thank you for sending the Government of The Gambia's submission to the Global Agriculture and Food Security Program 2019 Call for Proposals. I am writing on behalf of the GAFSP Coordination Unit (CU) to acknowledge receipt of the submitted application.

The application package will shortly be reviewed by the CU for completeness and we will revert if any additional information is required. If everything is in order, you would be notified and the application package will then be forwarded to the Technical Advisory Committee for their review.

Best regards,

GAFSP Coordination Unit

Subject: THE GAMBIA Country Proposal - GAFSP Special Call for Proposals for Fragile and Conflict Affected Countries

Mr. Stefan Schmitz

Chair of the GAFSP Steering Committee

The World Bank

1818 H Street, Mail Stop MC 5-510,

Washington, DC 20433

USA

Mr. Schmitz,

In response to the Special Call for Proposals for Fragile and Conflict Affected Countries, under the Public Sector Window, opened in March 14, 2019, the Government of The Gambia is pleased to submit herewith the country's proposal for GAFSP funding.

The Government of The Gambia has implemented The Gambia National Agriculture Investment Plan I (GNAIP I 2011-2015) and is finalizing the design of the GNAIP II (2019-2026) with the support of the African Union (AU), the Economic Community of the West African States (ECOWAS), the Food and Agriculture Organization of the United Nations (FAO), and the World Food Programme (WFP), under the aegis of the Comprehensive African Agricultural Development Programme (CAADP), and the Regional Agricultural Investment Programme (RAIP).

This GAFSP proposal will implement GNAIP II programmes promoting sustainable food systems to improve livelihoods, productivity and climate resilience, with a sensitive focus on reducing rural and child food and

nutrition security vulnerability through social protection. Under the coordination of the national Ministry of Agriculture and with the supervision from the African Development Bank (AfDB) and the World Food Programme (WFP), this proposal will scale up and expand proven best practices from the GNAIP I and from Food and Agriculture Sector Development Project (FASDEP), financed by GAFSP.

Kindly find attached the GAFSP project proposal document with key relevant attachments in this message (key documents are the ones mentioned in the document checklist).

The full package with all attachments (20mb) may be downloaded in the following link:

The proposal is fully supported and endorsed by the UN Resident Coordinator, Ms. Seraphine Wakana, the Agriculture Sector Minister Hon. Amie Fabureh, and the Finance Minister Hon. Mambury Njie.

We hope that our proposal would meet a positive response.

Please accept the assurances of our highest considerations,

Sincerely yours,

Musa M.HUMMA
