ANIMAL RESOURCES

MINISTÈRE DE  
L'AGRICULTURE ET DES  
RESSOURCES ANIMALES

OFFICE OF THE MINISTER

Date: 05 AUG 2020  
N° 1250/11.30/M

Ms. Rolande Pryce  
Country Manager, World Bank Rwanda

Dear Rolande,

**Re: COVID-19 RESPONSE ADDITIONAL FUNDING PROPOSAL**

We are pleased to submit Rwanda's proposal for additional funding under the Global Agriculture and Food Security Program (GAFSP). If approved, the proposal would contribute significantly to mitigating COVID-19 impact

Rwanda's GAFSP additional funding proposal seeks to support Sustainable Agricultural Intensification and Food Security Project (SAIP) in easing the severity of COVID-19 impact. SAIP aims at enhancing Agriculture development by ensuring the ultimate result of improving livelihoods and food and nutrition security through increased agriculture productivity, value addition and access to markets in an environmentally sustainable manner.

We thank you in advance for your consideration of our proposal under GAFSP Public Sector Window. We would like to reassure you that your support would remarkably contribute to Rwanda's response for short-to-medium term COVID-19 impact.

Yours sincerely,

**Dr. Gerardine MUKESHIMANA**  
Minister of Agriculture and Animal Resources
